“Densely fruited yet with a simmer of peppercorn spice, this derives energy from the tension between its generous fruit and more savory notes. Sappy, sinewy tannins bring a tea-like character to the cherries and cherry pits, brambleberries and cigar tobacco.”

“The 2023 Syrah Tous les Jours is once again an unbelievable value that packs in a ridiculous amount of character and fruit density. Blackberry, mocha, black cherry, graphite and sweet pipe tobacco flesh out in the glass. The 2023 is a mouth-coating, perfectly balanced wine that’s loaded with juicy freshness and so much nuance. Just mind-bendingly good for the price.”
